Overview

The Epson Workforce WF-2510 is an entry-level multifunction printer offering a productivity boost for office environments in a small compact design. Combining individual ink cartridges with a choice of capacity options, DURABrite® Ultra resin-coated pigment ink for smudge, fade and water resistant prints, Wi-Fi and fax.

KEY FEATURES & BENEFITS

- Fast Print Speeds – up to 34ppm (Draft black) for fast printing
- Smallest Footprint in its Class – space saving design which saves space in any home office
- 4 Individual Ink Cartridges – only replace the colour that is used
- XL Size Cartridges – for 2.5x more prints^
- Built-in Wireless Networking – easily connect to the network and share your all in one with others
- EPSON iPrint – print and scan via your wireless network – convenient wireless printing from smartphones, tablets and more***
- Epson DURABrite – Ultra Resin Coated Pigment Ink – for water resistant and highlighter friendly laser quality black text delivers crisp, high quality proposals, reports and brochures
- High-Speed Faxing in Black and Colour – as fast as 3 sec per page; speed dial storage up to 60 numbers; fax memory up to 180 pages
- Save Energy – uses up to 70% less power than laser printers****

All-Purpose Small-In-One
Ideal for the space-constrained home office, the WorkForce WF-2510 is a fast, high-performance all-in-one that offers **affordable, individual ink cartridges** within a space-saving, compact design – **the smallest in its class.**

This powerful inkjet saves time with fast speeds up to **34ppm** (draft black) and 18 ppm (draft colour). For easy setup and sharing on the Home network, the WF-2510 comes with **built-in wireless** connectivity, and features **EPSON Connect™** so you can print and scan from anywhere.

Smallest footprint In Its Class
Get all the tools you need without sacrificing space in your home office. This **compact**, full-featured all-in-one is ideal for space-constrained environments.
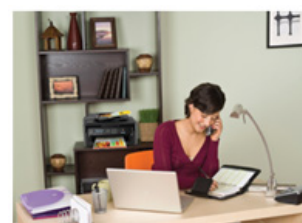

Fast Print Speeds
The WorkForce WF-2510 moves at your busy pace, with print speeds of up to **34ppm (draft black)** and 18 ppm (draft colour).

Built-In Networking Options
Share your all-in-one among multiple computers. Quickly set up, connect and print from any networked computer. Because the WorkForce WF-2510 offers 802.11 n support, you get the latest in wireless technology.

High-Speed Faxing
Fax in as fast as 3 seconds per page, save up to 180 pages in memory, and store up to 60 numbers. Using the included PC-Fax, you can even send a colour fax right from your computer. It's a great way to save time and paper.

DURABrite Ultra Inks
Exclusive to Epson, DURABrite Ultra ink is a 4 colour pigment based ink technology that delivers brilliant, ultra sharp detail on plain and specialty papers.

These fast drying inks deliver durable prints that are **water, fade, smudge resistant and highlighter friendly** providing worry free handling.

Brilliant Results. Great Value.
The WorkForce® WF-2510 not only provides brilliant results for the home and office, but also a **smart value choice** for the cost conscious consumer.

With **individual ink cartridges**, you only replace cartridges as needed, rather than the conventional process of having to replace an entire cartridge despite only having consumed one of the many colours it contains. Plus, you can save more by buying the high capacity **200XL** ink cartridges, printing **2.5x more** than the standard capacity^ or save further with the option of purchasing value packs.

Peace of Mind
The Epson WorkForce® WF-2510 is backed by the peace-of mind of a 1 year return-to-base warranty.

The WorkForce Series – Engineered for Business
Businesses have big expectations. That's why WorkForce, Epson's exclusive line of inkjet printers and all-in-ones, was designed with businesses in mind. Now, you can get laser quality prints, plus easy setup, high-capacity, instant-dry inks, and options to print wirelessly – all from a brand you can rely on.

* Smallest footprint among colour inkjet all-in-ones priced at $AUD199 or less, as of May 2012.
^ Approximately 2.5 times more prints per cartridge compared with the model 200 standard capacity ink cartridge
** 2 Wi-Fi certified ™; level of performance subject to the range of the router being used. Visit www.wi-fi.org/files/11nbasics_glossary.pdf for more information.
** **www.epson.com.au/connect/** regarding compatible devices and apps.
**** Compared to best-selling, color multifunction laser printers priced at $AUD399 or less as of April 2012. Actual power savings will vary by product model and usage.

5kg

LIGHTFASTNESS

LIGHTFASTNESS#	120 years on Epson Matte Paper Heavyweight
LIGHTFASTNESS TEST CRITERIA (INDOOR DISPLAY CONDITIONS)	
LIGHT SOURCE	Fluorescent light
INTENSITY	70k lux
TEMPERATURE	24°C
HUMIDITY	60% RH
GLASS MOUNT	2mm, soda lime
FADE CRITERIA	Pure YMC 30% loss at OD=1
DISPLAY LIFE CALCULATION	Total illuminance/(500 lux x 10 hours x 365 days = 1 year)

Tests developed and conducted by Epson under fluorescent light (indoor display condition) with glass mount. The data is calculated by Epson's accelerated test of prints on specialty media.

Data is calculated using accelerated simulation of fading under indoor preservation conditions including fluorescent light indoor display. Temperature, humidity and some atmospheric gases may also affect the rate of fading. The estimated lightfastness period does not indicate the colour changing or the durability of the paper itself. Epson recommends that your prints be stored in a photo album (or plastic photo storage box) in acid free, archival sleeves commonly available from most camera shops.

INK CARTRIDGES & YIELDS

STANDARD INK CARTRIDGES	200 Black, 200 Cyan, 200 Magenta, 200 Yellow
HIGH CAPACITY INK CARTRIDGES	200XL Black, 200XL Cyan, 200XL Magenta, 200XLYellow
STANDARD INK CARTRIDGE YIELDS^^	Approx. Black 175 pages, Colour Composite 165 pages
HIGH CAPACITY INK CARTRIDGE YIELDS^^	Approx. Black 500 pages, Colour Composite 450 pages

^ Print speed (PPM) when printed on A4 plain paper in the fastest mode. 10x15cm photo print speed when printed on Epson Premium Glossy Photo Paper borderless in draft mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

+ Copy speed when printed on plain paper in the fastest mode. Copy speed may vary depending on copy mode, document complexity, type of paper used and number of copies.

^^ According to ISO/IEC24711 and 24712 test suite. **Click here for details on ISO testing. (PDF)**

Warning to Epson printer owners. Many well known third party companies claim their inkjet printing papers are compatible with all Epson inkjet printers. Epson has reports from many customers who have used third party paper and have been very disappointed with the results. When the same customers have changed to genuine Epson paper, they have been amazed and pleased with the colour and quality of their prints. Epson recommends that you do not use any non genuine printing papers if you want to get the best results from your Epson printer. Epson printers are very carefully tuned to ensure Epson inks and Epson's patented MicroPiezo™ printhead produce the best quality prints using carefully selected Epson paper.

All other brands of printing papers are not wholly compatible with the printer.

Equipment supplied by Epson Australia is designed to function in conjunction with genuine Epson consumables and accessories specifically configured for it.

The Epson Intellidge® Ink System is designed to work perfectly in harmony with the printer and your choice of media to ensure you get:

- **the very best of print quality every print, every time**
- **and trouble-free, peace-of-mind printing every print, every time**

The Epson Intellidge® Ink System brings maximum benefits, maximum ink usage and the interchange of Epson cartridges suitable for this model. The Epson Intellidge® Ink System gives you easy-to-see, readily available information about all your ink levels.

This printer is designed to be used only with **Genuine Epson Intellidge®** ink cartridges
Intellidge® Ink cartridges are not designed for refill.

It's now easier for you to identify Genuine Epson cartridges.
Epson is gradually replacing the current hologram with the new anti-counterfeit **Color Shifting Label**.
