

The Dell 1250c color laser-class printer

Big on color — small on compromise World's smallest color laser-class printer

For small and home offices (SOHOs) and small businesses looking for the best value in color printing, the Dell 1250c, the world's smallest single-function color laser-class printer¹, delivers the next evolution in LED printing technology with excellent print quality, low energy consumption, and simple maintenance compared to conventional laser printers in the same class.

The Dell 1250c performs efficiently at speeds of up to 12 pages per minute (ppm) mono and 10 pages per minute (ppm) color (letter) (actual print speed will vary with use) and can reliably produce high quality printing at a maximum monthly duty cycle of up to 30,000 pages.

Ultra compact and efficient, the Dell 1250c is simple and easy to operate and offers the best value in color printing to your organization.

Dell 1250c color laser-class printer

Big on color—small on compromise: Dell 1250c product benefits

Superb print quality with Dell LED printing technology and Color by Dell

With the Dell 1250c, organizations can enjoy high-quality color printing with excellent color reproduction and sharp, crisp text quality. The breakthrough Dell LED printing technology represents a significant technological advancement over conventional LED printers, with small and intelligent self-scanning print head for improved image transfer, high resolutions printing and ultra compact printer design. Plus, Color by Dell, a total print quality solution, allows users to experience better color reproduction, sharp and crisp text, and eye-catching photo printouts displaying natural skin tones.

Efficiency without compromise

The Dell 1250c, with innovative LED printing technology, was purposely engineered to be compact for greater space efficiency, energy savings, and operational efficiency over conventional laser printers in the same class. You'll enjoy lasting and reliable performance with because the Dell 1250c contains simple mechanical parts compared to laser printers and conventional LED printers. And you'll minimize downtime and save money on printer consumables as the Dell 1250c comes with a drum and fuser unit designed to last the life of the printer.

Great performance—great functionality

No need to wait for your print job with the Dell 1250c which features print speeds of up to 12 pages per minute (ppm) letter in mono and up to 10 pages per minute (ppm) color (actual print speed will vary with use). And with a maximum monthly duty cycle of up to 30,000 pages, the Dell 1250c can handle your organization's color printer needs with ease.

Solid warranty and service

Should your Dell 1250c need service, Dell's standard 1-Year Limited Hardware Warranty³ and 1-Year Next Business Day Advanced Exchange Service⁵ can help get you back up and running again promptly. Protect your investment even longer with an optional Limited Hardware Warranty³ extension which is available during the term of the warranty for up to four years.

Environmentally-conscious design—reduce, recycle, renew

Dell's end-of-use programs include a commitment to recycling printers and toner cartridges. Help protect your bottom line while helping to protect the planet with the Dell 1250c. According to the US Environmental Protection Agency, Energy Star certified products, like the Dell 1250c, are up to 25% more power efficient on average than conventional models.⁴ The Dell 1250c has been designed to help reduce the use of hazardous materials. Dell printer users can return toner cartridge to Dell for recycling at no additional cost. Dell also helps customers dispose of old printers and other computer equipment in an environmentally-conscious manner.

Toner cartridges	Dell 1250c black and color toner (CMY) toner standard and ship-with capacity: approximately 700 pages ² ; black toner high capacity: approximately 2,000 pages ² ; color toner (CMY) high capacity: approximately 1,400 pages ²
Memory (RAM)	64 MB standard
Connectivity	Standard USB 2.0 high speed supported
Paper handling	Input: standard 150 sheets; output: 100-sheet bin
Service and support	Standard: Toll-free technical support and 1-Year Limited Hardware Warranty ³ and 1-Year Next Business Day Advanced Exchange Service ⁵ ; Optional: extended service options available during term of warranty for up to four years

Dell 1250c color laser-class printer

Product description	World's smallest letter-size color laser-class printer for small and home offices and small businesses.
----------------------------	---------------------------------------------------------------------------------------------------------

Printer specifications	
Print speed	Up to 12 ppm mono and up to 10 ppm color (actual print speed will vary with use)
Warm up time	
From power on to Ready state on LCD	Equal to or less than 25 seconds
First page out time	
From Ready state	Equal or less than 24 seconds (mono), 29 seconds (color)
Print resolution	600 x 600 dpi (up to 1200 x 2400 dpi equivalent in image quality)
User interface	Two buttons and 11 graphically lit LEDs
Data streams	Host-based
Processor speed	192 MHz
Memory (RAM)	64 MB standard
Memory expansion	Not available
Read-only memory (ROM)	2 MB
Maximum duty cycle	Up to 30,000 pages per month
Recommended monthly duty cycle	150 - 500 pages per month

Paper handling	
Standard input sources	150-sheet drawer
Additional input capacity	Not available
Maximum input capacity	150 sheets
Duplexer	Manual
Standard output destination	100-sheet bin
Maximum output capacity	100 sheets
Additional output destinations	Not available

Supported media types, sizes and paper weights	
Media types supported	Plain paper (normal, thick); cover; coated paper; label; envelope; recycle paper; Hagaki
Media size	Letter SEF, Executive SEF, Folio (8.5 in x 13 in) SEF, legal SEF, Com-10 SEF, Monarch/DL, C5 SEF, A4 SEF, B5 SEF, A5 SEF; Width: 3 in to 8.5 in; Length: 5 in to 14 in
Media weight	2.1 oz to 7.6 oz
Printable area	8.185 in x 13.685 in

Page layout options	Portrait or landscape orientation, multiple copies, multipage printing (N-up), manual duplex printing (only for Windows Driver), poster (only for Windows Driver), booklet printing (only for Windows Driver), watermarks (only for Windows Driver), collate, rotation
----------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Connectivity	
Standard interfaces	USB 2.0 high speed supported

Print languages and fonts	GDI
----------------------------------	-----

Operating Systems (OS) support	Microsoft® Windows® 7 32-bit/64-bit, Windows Vista® 32-bit/64-bit (Home Basic, Home Premium, Ultimate, Business), Windows Server 2008 32-bit/64-bit, Windows Server 2008 R2, Windows XP 32-bit/64-bit (Home & Pro), Windows 2003 Server 32-bit/64-bit, Mac OS®: 10.3.9 or later (Power PC 32-bit), 10.4.11 or later (Power PC 32-bit/ Intel 32-bit), 10.5 with latest update (Power PC 32/64-bit/ Intel 32/64-bit), 10.6 with the latest update (Intel 32/64-bit)
Wireless	Not available with the 1250c; please see Dell 1350cnw color laser-class network printer with Wifi capabilities

Network protocol	
Network/transport protocols	Not available with the 1250c; please see Dell 1350cnw color laser-class network printer with Wifi capabilities
