Overview

Perfect for busy professionals, the Epson WorkForce DS-40 is designed for simple and effective document management within the home, office or mobile environments. Businesses who have a requirement to scan receipts, brochures, cards or other documents can improve retrieval time and desk space with the Epson DS-40. Similarly, the Epson WorkForce DS-40 is designed for business people who are engaged in field work, which requires simple and effective digitizing of paperwork for immediate sharing.
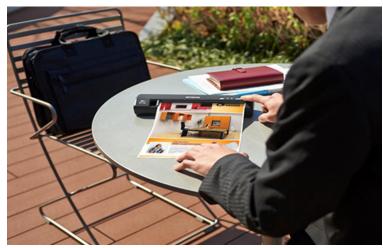

KEY FEATURES & BENEFITS

Wirelessly scan critical documents – scan and send receipts, statements, business/ plastic I.D. cards to your smartphone, tablet, Mac®, PC or popular cloud services[1]

Lightweight and travel-friendly – at 500g, get the portability you need to capture data while on the road; battery or USB power source

Scan directly to popular cloud services[1] – scan to Google Drive™, Evernote®,SharePoint®, OneNote®, SugarSync®, OneDrive™, Dropbox™ and more[2]

Create editable text and searchable PDFs[3] – OCR and document management suite included for PDF and PDF/A files (Windows only)

Powerful software included – Epson Document Capture Pro, ABBYY®,FineReader®, Presto! BizCard® and Epson Scan

Connect to document management software – TWAIN driver supported

Advanced colour and image adjustments made easy – Variable Colour Enhance, Colour Dropout and other innovative features[4]

Versatile scanning for a variety of originals – scan from business cards and other important business documents

Stay organised and go paperless, wherever business takes you, with the WorkForce DS-40 wireless portable colour document scanner. At just 500g, you can easily slip it into your briefcase and go.

The wireless portable scanner for smartphones, tablets, computers and more

Quickly scan receipts, business cards and more to smartphones, tablets, laptops or cloud services[1] including Google Drive, Evernote and SharePoint[2]. With tools such as text enhancement, skew correction, Colour Enhancement and Colour Dropout[4], scanning documents into editable text and searchable PDFs[3] has never been easier. It also includes a TWAIN interface to support third-party document management software.

Battery-powered and lightweight, the DS-40 is perfect for busy mobile professionals.

Organisation on the go

Weighing just 500g, the WorkForce DS-40 is the ideal choice for busy professionals on the go. Take it with you in your shoulder bag or briefcase and quickly capture data in the office or on the road.

Connect the scanner to your laptop as a power source. Or, leave the USB cable at home — the DS-40 features battery operation for the ultimate in portability.
An optional AC adapter is also available.

Mobile scanning made easy. Wirelessly scan to smartphones and tablets[1]

Scan documents directly to your iOS®/Android™ smartphone or tablet with the Epson DocumentScan App.

You can preview the scanned data and send it to email, directly to other applications, or to the cloud[1].

- Edit scanned pages — multi-page rotation or re-ordering
- Auto document size detection — up to 215mm x 35.5mm
- Auto image type detection

Scan to cloud

Special scanning features included

You can preview the scanned data and send it to email, directly to other applications, or to the cloud[1].

- Clear, crisp image quality — up to 600 dpi resolution
- Auto document size detection — up to 215mm x 355mm
- Scan documents up to 215mm x 910mm[5]
- Text enhancement for Colour, Black-and-White and Greyscale[4] — for improved OCR accuracy
- Auto image type detection
- Image skew correction[4]
- Removes punch holes from scanned images[4]

Scan Wirelessly

Colour Enhance[4]

Colour Enhance allows users to select and enhance a Colour from the RGB Colour channels when scanning in Black-and-White. This can help bring out a particular element that might not otherwise show up clearly in a Black-and-White scan, such as a signature made with a light-blue pen.

[1]Wirelessly scan to smartphones or tablets (Android/iOS devices) via the Epson DocumentScan app; wirelessly scan to the cloud, PCs or Macs with Epson Document Capture software, installed on the connected Windows PC or Mac.
[2]Applications must be installed on your Android or iOS device.
[3]Windows only.
[4]PC and Mac computers only, using Epson Scan or Epson Document Capture software.
[5]Maximum scan size for Mac is 8.5" x 14"; maximum scan size for Windows is 8.5" x 36".

Specification

Epson WorkForce DS-30	B11B225501
SCANNER TYPE	Sheet Feed, Simplex A4 Colour Scanner
SCANNING METHOD	Fixed carriage and moving document Paper Supply: Manual feed (Face down)
