ML-2545
Personal Mono Laser Printer

If you're looking for a laser printer that offers true value for money, take a look at the Samsung Mono Laser Printer ML-2545. From the fast print speeds of up to 24ppm, to the 300MHz CPU, and 64MB RAM as standard, you can guarantee your printouts will be processed and delivered without delay. While the impressive resolution of 1200 x 1200 dpi ensures you will never be disappointed with the quality of your prints.

Key Benefits:

1. Simple, yet highly effective Print Screen Function... print the contents of your screen with just one touch

2. Easy Print Manager... enables you to manage all of your Samsung device settings, status monitoring, supplies ordering, scanning and faxing in one convenient, easy-to-use location

3. Print what you see with AnyWeb 2.0 Print software... select, drag and drop content from different web pages into a single scrap board, without the need to resize or edit.
