## Who can benefit?

The HP OfficeJet 3830 All-in-One is ideal for those who want the freedom to print documents and photos, at home or on the go,[1] and need:

- Easy mobile printing from smartphones and tablets[1]
- Quick, simple setup from smartphones, tablets, and PCs[2]
- Reliable, high-quality printing with low operating costs
- Versatile scanning, faxing, and copying
- Compact design

## The easiest way to print from a smartphone or tablet[1]

Set up this all-in-one in a flash,[2] and keep tasks moving with the easiest way to print and scan to email from your mobile device.[1,3]

- Start printing quickly with easy setup from your smartphone, tablet, or PC.[2] Use your mobile device to register your new all-in-one and connect to your local wireless network.[2]
- Print from your smartphone or tablet without accessing a network.[4] Wireless direct printing lets you connect your mobile device directly to your all-in-one.
- Manage printing tasks and scan directly from your mobile device using the HP All-in-One Printer Remote mobile app for smartphones and tablets.[3] Quickly send scans to email or cloud storage, and check ink status before you print.[3]
- Easily print documents, photos, and more from your iPhone and iPad using AirPrint, and from smartphones and tablets running Android™, Windows® 8, and Google™ Chrome™ operating systems.[1]
- Rely on this all-in-one to take care of your print jobs, even when you're not there. Whether the output tray is open or closed, printed pages have an unobstructed path and come out looking great.

## Affordable at-home printing

Keep costs down, without sacrificing quality. This reliable all-in-one delivers great results you can count on.

- Save up to 50% on ink when you sign up for HP Instant Ink.[5] Original HP Ink is ordered by your printer and delivered to your door (availability varies by country).[8] Print photos and documents for the same low price.
- Rely on a better value for frequent printing. Print up to twice as many pages and change cartridges less often with optional Original HP high-yield ink cartridges.[6]
- Produce high-quality prints, time after time. This HP OfficeJet is designed and built to HP's high standards for reliable, long-term use.

# Everything you need

Free up more time to focus on what's important. Easily print, scan, copy, and fax from one versatile device.
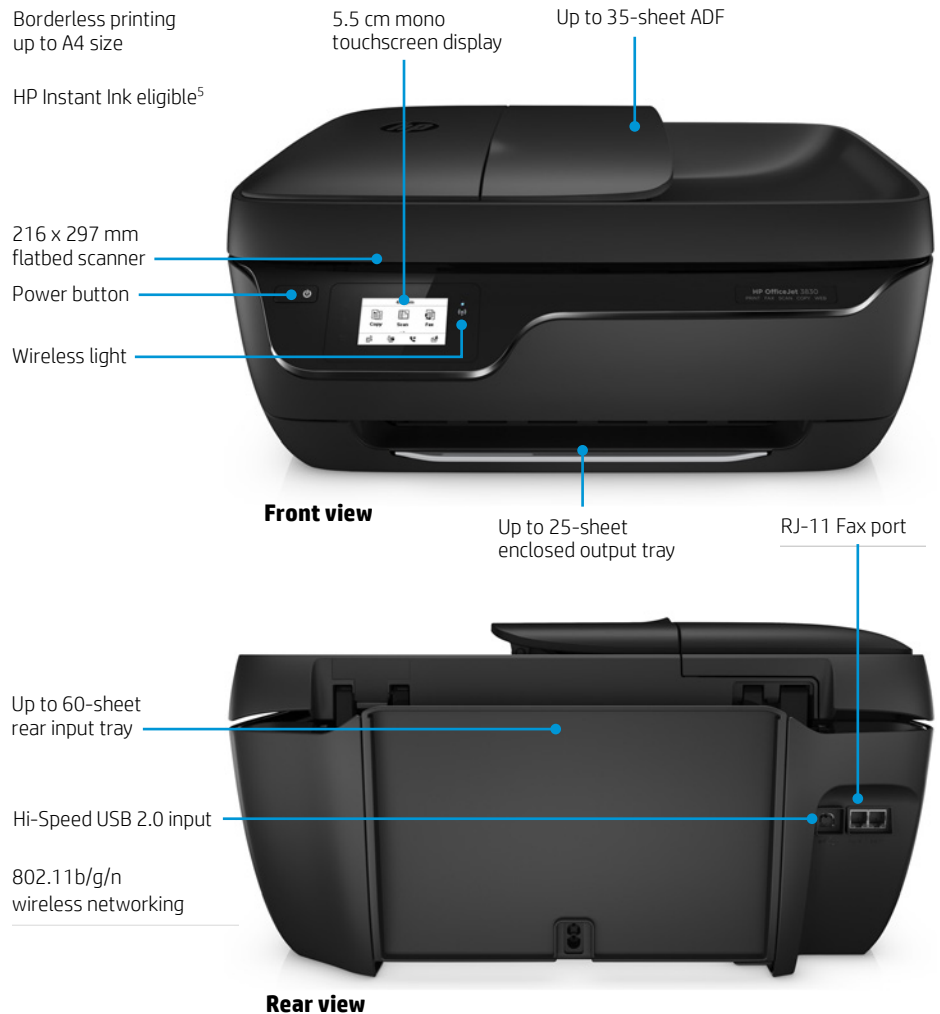

- Take charge of your tasks and finish in less time. Produce borderless photos and documents, and control print, fax, scan, and copy jobs from the easy-to-use 5.5 cm mono touchscreen display.
- Quickly fax, scan, and copy multipage documents with the 35-page ADF.
- Access colouring pages, recipes, coupons, crossword puzzles, and more with HP Printables—delivered to your all-in-one, on your schedule.[7]

# Designed to fit your life

Set up this space-saving device wherever you choose. It's designed to work quietly in the background, so you can print, scan, copy, and fax almost anywhere.

- Save space. The compact design gives you the option to fit the all-in-one in tight spaces. Place it on your desk, on a shelf, or wherever you need it.
- Use this all-in-one in the living room, a bedroom, or anywhere you choose, without disrupting your family's activities. Simply select the optional quiet mode to help keep noise to a minimum.

[1] In comparison to the majority of consumer/home office inkjet all-in-one printers <€399 as of November 2014 based on market share as reported by IDC as of Q3 2014, and typical time to set up and/or presence of preloaded plug-in. App download required for printer setup. Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to the printer. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

[2] Requires HP All-in-One Printer Remote mobile app download and is compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod, and mobile devices using Android™ 4.0.3 or later. Printer and mobile device must be on the same local wireless network with Internet access. For a full list of supported operating systems, see hp.com/go/mobileprinting.

[3] Mobile device requires wireless access point and an Internet connection. Compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod 5G using iOS 7 or later, and mobile devices using Android 4.0.3 or later. Features controlled may vary by mobile device operating system. Scan/copy control requires mobile device and printer be on the same wireless network or through wireless direct connection to printer. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability.

[4] Mobile device needs to be connected directly to the Wi-Fi signal of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the wireless access point in the printer. For details, see hp.com/go/mobileprinting.

[5] Savings based on HP Instant Ink service plan price for 12 months and use of all pages in plan without purchase of additional sets of pages compared to an average cost per page (CPP) to print ISO/IEC 24711 pages on a selection of colour inkjet printers using standard capacity cartridges. The comparison is based on indicative manufacturers' price as reported on Original Equipment Manufacturers websites December 2013 with manufacturers price less than 200€. Actual savings may vary depending on number of pages actually printed per month and content of pages printed. All prices include VAT. For more information on ISO standards go to hp.com/go/pageyield. The HP Instant Ink savings vary by country. For further details please refer to the country specific links: Germany hpinstantink.de, France hpinstantink.fr, Spain hpinstantink.es.

[6] Based on HP 302XL High Yield Black Original Ink Cartridges. High-yield ink cartridges not included; purchase separately. For more information, see hp.com/go/learnaboutsupplies. Less cost per page compared with estimated street price and published page yield of standard-yield HP 302 Original Ink Cartridges. Actual pricing may vary.

[7] Requires a wireless access point and an Internet connection to the printer. Services require registration. HP Printable availability varies by country, language, and agreements, and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models.
