

Epson

Expression Premium XP-700

The Expression Premium XP-700*¹ is ideal for busy households with a high interest in home photography that also want to print lots of documents. This printer is an impressive 40 percent smaller than previous models*². It also boasts intelligent features such as motorised control panel and output tray, fast duplex printing and Epson Connect - for versatile, user-friendly printing.

Claria Premium Ink produces crisp, clear text documents and outstanding, glossy photos with sharp detail, deep blacks and rich, vibrant colours. A perfect balance for the modern home.

Epson Connect *³ allows you to print wirelessly from smartphones and tablet PCs within the home, and print from anywhere in the world by emailing documents directly to the printer's unique email address. The Remote Printer Driver offers more flexibility to print from your PC to any Epson Connect printer anywhere in the world, while Scan-to-Cloud enables you to store scanned documents directly in Cloud services. In addition the XP-700 is AirPrint and Google Cloud print ready.

Wi-Fi and Ethernet offer flexible connectivity, while the automatic Wi-Fi set-up automatically finds the relevant connection settings in order to configure itself*⁴. Wi-Fi Direct connects directly to other Wi-Fi devices without the need for a wireless access point.

The XP-700 features dual front-loading paper trays as well as a rear speciality media feed allowing you to print on card and heavyweight photo paper. The 8.8cm touch-screen features a user-friendly interactive menu. PictBridge and memory card slots ensure flexible and easy to use PC-free photo printing.

This model also features a motorised control panel and output tray, which open automatically before printing, so all you have to do is collect your printouts.

DATASHEET

KEY FEATURES

- Print, scan and copy
- 40% smaller than previous models*²
