

Powerful notebook value.

Scalable performance. Optimized for collaboration.

Powered by the 6th Generation Intel® Core™ i processors with vPro™ technology, the ThinkPad® L560 deliver the performance of a desktop computer while offering the mobility of a notebook. Its rugged design, enhanced collaborative features and enterprise-level security let you stay productive anywhere for up to **10.6** hours on a single charge. With their affordable price tags, the L560 are ideal for today's demanding business landscape.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD® L560 NOTEBOOK

Scalable performance

Now or later, you can easily upgrade up to 32 GB memory – helping you future-proof your L560 against software upgrades.

Durably designed for maximum productivity

The rugged design withstands the stresses of travel and can withstand 200 ml water drop test – preventing minor mishaps from becoming costly downtime.

Optimized for collaboration

Microsoft Skype™ Certified VoIP system allows for teleconferences with exceptional sound even in noisy environments such as airports.

Enterprise security features

Easy-to-use Fingerprint And Trusted Platform Module (TPM) offer enhanced levels of security to meet the most demanding requirements.

THE LENOVO™ THINKPAD® L560

NOTEBOOK ARE BEST SUITED FOR

1 Businesses seeking the best value in a mobile desktop with fully scalable performance and comprehensive features.

2 Road warriors that need high-performance notebook with all-day battery life and features for easy collaboration and connectivity.

3 Businesses and individuals seeking a powerful notebook that won't break the bank, ideal for large-scale deployments.
