

The compact mono printer with added functionality

The B2200 is a compact and sturdy desktop mono printer which is perfect for personal business printing. It is 30% smaller than competitive printers and weighs 0.5kg less, allowing easy transfer between office and home. Printing is fast, 20 pages per minute (ppm) with the first page in just 5 seconds, and thanks to the unique digital LED technology the print quality is exceptional.

The printer is easy to use and the free in-box utilities add to its simplicity and functionality. The B2200 uses a host-based printing system language.

Smaller and lighter than competitor models.

The B2200 mono printer is compact – 30% smaller than competitive printers. With such a small footprint and a low noise level, it is the perfect desktop printer. The printer weighs just 4.8kg – around 0.5 kg less than competitors, allowing them to be transported easily between business locations or between home and the office. Although lightweight, it is sturdy, benefiting from a Simple, Solid & Smart design philosophy.

Super fast monochrome printing.

The B2200 mono printer has a fast print speed of 20ppm, and with a super fast time to first page of just 5 seconds, there is no waiting around for printed work, helping to maintain business efficiency.

LED technology for better printing.

The B2200 mono printer benefits from award-winning LED technology. This unique single-pass technology from OKI Printing Solutions provides superior print quality compared to laser printing, and smoothes paper flow to increase speed, maintain workflow and assist the handling of a range of media. As well as providing enhanced performance, the printer comes with a lifetime LED head warranty for peace of mind.

Easy to install and use.

The B2200 mono printer is easy to use and the free, in-box utilities make things even easier. Ask OKI provides users with dedicated online advice and can be accessed quickly via the printer driver. Template Manager 2006 provides ready-made templates to assist the printing of items such as address labels.

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as “compatible”, and if it does work, your printer’s performance and print quality may be degraded.

Description	Life* (pages)	Order Numbers
Black toner	2,000	43640303
Image drum	15,000	43650303

* All toners: A4 pages yield compliant with ISO/IEC 19752. Printer shipped with 1,000 pages yield compliant with ISO/IEC 19752. All Drums: Continuous print. Specification subject to change without notice. All trademarks acknowledged.
