

# The Dell 1135n multifunction laser printer

## Highly affordable 4-in-1 multifunction monochrome laser printer offers superb value for small offices and workgroups

Designed for small businesses and small and home offices, the easy to use, reliable and superbly affordable Dell<sup>™</sup> 1135n multifunction monochrome laser printer offers convenient print, scan, copy and fax capabilities in one compact device.

The Dell 1135n prints up to 22 pages per minute with a maximum monthly duty cycle of up to 12 000 pages. It comes standard with a 250 sheet paper drawer and 128 MB RAM, delivering high efficiency and reliability. Its enhanced 2-inch LCD user interface and numeric keypad make it easy to use and its enhanced 4800 x 4800 dpi scanning capabilities set it apart from the competition.

Enjoy speed, reliability and exceptional immediate and long-term value in a compact and ready to use multifunction monochrome laser printer with the Dell 1135n.

### Product benefits

#### Low total cost of printing

Get exceptional value with the affordably priced Dell 1135n multifunction monochrome laser printer. Then save money over time — Dell high-capacity mono toner cartridges deliver a low cost per page. Factoring in its excellent reliability and outstanding support, the Dell 1135n printer is the right choice for small businesses looking for ways to maximize their IT budget.

## Impressive speed, quality, and productivity with enhanced features

Get performance-packed functionality and ease of use in this 4-inone model. Instead of depending on multiple machines, enjoy high quality printing, scanning, copying and faxing in one convenient and affordable system featuring an enhanced 2-inch LCD user interface and enhanced resolution 4800 x 4800 dpi scanning capabilities. No need to wait on print jobs with the remarkable speed of the Dell 1135n, which prints 22 A4 pages per minute<sup>1</sup> (ppm) (actual print speed will vary with use).

Enjoy sharp, professional quality prints and experience outstanding productivity and reliability with the Dell 1135n, which handles a high 12 000 pages maximum monthly duty cycle. The Dell 1135n requires minimal maintenance and user attention and offers an optional Dell 2 500 page<sup>2</sup> high-capacity toner cartridge and 250 sheet paper input drawer standard.

#### Solid warranty and exceptional service

Should your printer need service, Dell's standard 1 Year Next Business Day Service after Remote Diagnosis<sup>3</sup> can help get your Dell 1135n up and running again promptly. Let Dell set up and install your printer with Dell's optional installation services. Focus on your business while we take care of your printers.

#### Environmentally conscious design-reduce, recycle, renew

Dell's end-of-use programmes include a commitment to recycling printers and toner cartridges. Help protect your bottom line while helping to protect the planet.

According to the US Environmental Protection Agency, Energy Star qualified products are up to 25% more power efficient on average than conventional models.<sup>4</sup> The Dell 1135n has been designed to help reduce the use of materials and hazardous materials. Dell printer users can return toner cartridges to Dell for recycling at no additional cost (applies to major western European countries only). Dell also helps customers dispose of old printers and other computer equipment in an environmentally conscious manner.

Toner cartridges <sup>2</sup>	Dell 1135n black toner cartridge standard capacity (approximately 1 500 pages); or high-capacity (approximately 2 500 pages)	
Memory (RAM)	128 MB RAM	
Connectivity	High-speed USB 2.0, Ethernet 10/100 Base Tx	
Service and support <sup>3</sup>	1 year Next Business Day Service after Remote Diagnosis	

## Dell 1135n multifunction laser printer

**Product description** 

Reliable and affordable multifunction (print, copy, scan, fax) monochrome laser printer

rioduct description	Reliable and anordable multifunction (print, copy, sear, rax) monochrome laser printer
Printer specifications	
Print speed <sup>1</sup>	Up to 22 A4 pages per minute (ppm)
First page out time	From 'Ready' state: As fast as 9 seconds; From 'Power Saver' mode: As fast as 19 seconds
Print resolutions	600 x 600 dpi (printer default), up to 1200 x 1200 dpi
User interface	Two-line LCD, 16 buttons, and a numeric keypad
Data streams	GDI (Graphics Device Interface)
Processor speed	360 MHz
Memory (RAM)	128 MB SDRAM DDR2 667Mhz
Memory expansion	Not available
Maximum duty cycle	Up to 12 000 pages per month
Typical monthly print volume	300-1 000 pages
Copy specifications	
Copy speed	Up to 22 A4 pages per minute (ppm)
First copy out time	From 'Ready' State as fast as 12 sec (Platen), as fast as 14 sec (ADF) From 'Power Save' mode as fast as 21 sec (Platen)
Copy resolution	Text and text/photo 600 x 600 dpi (ADF and Platen) Photo - up to 1200 x 1200 dpi (Platen), up to 600 x 600 dp (ADF)
Maximum copies	Up to 99
Reduce/enlarge	25% to 400%
Flatbed copy size	A4, A5, A6, US letter, B5, executive, statement, custom (up to 216 mm x 297 mm)
Copy functionality	ID card, N-up, clone, poster
Reduce/enlarge	Original (100%), Auto Fit, A4 to A5 (71%), LGL to LTR (78%), LGL to A4 (83%), A4 to LTR (94%), Exe to LTR (104%), A5 to A4 (141%), 25%, 50%, 150%, 200%, 400%, Custom: 25% to 400% at 1% increments
Scan specifications	
Scanning method	CIS (Contact Image Scanner)
Scan resolution	Optical: 1200 x 1200 dpi (Colour@Platen), 600 x 600 dpi (B/W@Platen) 600 x 600dpi (ADF); enhanced: 4800 x 4800 dpi
Scan depth	Colour: 16 bit; mono: one bit for lineart and halftone, 10 bits for grey scale
Scanning functionality	Via Control Panel: scan to selected applications. Scan to network folder Via SmarThru <sup>™</sup> : Device Discovery, FileFormat, File Saving location, Resolution, Colour, Scan size
Scale file types (Client) Effective scan area	BMP, PDF, TIFF, JPEG 216 x 297 mm
Fax specifications	
Modem speed	Up to 33.6K bps
Fax transmission speed (LTR)	3 seconds/page
Fax job storage	4 MB or up to 320 pages
Fax functionality	Fax broadcasting, delayed fax/scheduled fax, priority fax, fax forwarding, secure fax receive, remote fax receive,
Speed Dial	distinctive ring pattern, ECM, PC fax 200
Fax/phone/TAM interface	Yes (Extension phone and TAM can be connected)
Paper handling Standard input sources	250 sheet via standard drawer and 1 sheet feeder
Additional input sources	Not available
Maximum input capacity	251 sheets (250 sheet standard drawer and 1 sheet feeder)
Duplex unit	Manual duplex
Standard output destination	80 sheet bin
Automatic document feeder	
ADF type	Simplex
ADF input	Up to 40 sheets (based on 80 g/m²)
Media support	Weight: 80 g/m <sup>2</sup> ; width: 142 to 216 mm; length: 148 to 356 mm
Supported media types, sizes ar	
Media types supported	Plain, thin, bond, preprinted, recycled, envelope, transparency, label, cardstock, thick, cotton, coloured, archive
250 sheet standard drawer	Media size: A4, A5, US letter, US legal, executive, folio, Oficio, ISO B5, JIS B5
	<i>Weight:</i> 60 - 120 gsm
Multipurpage trou	Media size: A4, A5, A6, US letter, US legal, executive, folio, Oficio, ISO B5, JIS B5, monarch envelope, DL
Multipurpose tray	
Mullipurpose tray	envelope, C5 Envelope, C6 Envelope, No. 10 envelope
Multipurpose tray	envelope, C5 Envelope, C6 Envelope, No. 10 envelope <i>Weight:</i> 60 - 160 gsm Within 4 mm of all edges of the media

<sup>1</sup> Print speed quoted refers to A4 Simplex (single-sided) page using default print mode. Actual print speed may vary depending upon system configuration, software application and document complexity. Tested in accordance with ISO/IEC 19752 testing methodology. Yields vary with usage and environmental conditions.

<sup>3</sup> Service may be provided by third party. Technician will be dispatched if necessary following phone-based troubleshooting. Subject to parts availability, geographical restrictions and terms of service contract. Service timing dependent upon time of day call placed to Dell. Defective unit must be returned. Replacements may be refurbished.

Print Volume is assumed to be printed at 30 minute intervals across a 10 hour business day (0800–1800), 5 days per week. The printer enters standby mode when the print job is complete, and enters sleep mode after the default period. The printer is assumed to remain in sleep mode at all other times including two weekend days. Energy consumption will be further reduced if the printer is powered down when not in use for long periods. Actual energy consumption will vary according to print volume and usage patterns
