

# Epson EB-G6250W

## DATASHEET

The Epson EB-G6250W HD-Ready projector for the office is ideal for medium to large meeting rooms. Business presentations are delivered with rich, vivid colours - even in daylight. This is thanks to Epson's 3LCD technology enabling an equally high White and Colour Light Output of 6,500 lumens, and a WXGA resolution.

## KEY FEATURES

- 6,500lm White and Colour Light Output
- WXGA screen resolution
- 3LCD technology for richer colours
- 360° vertical rotation of projection
- Easy installation features

The Epson EB-G6250W boasts superior picture quality, ensuring the best possible projection for important presentations. The Colour Uniformity function compensates for unequal colour distribution by adjusting the intensity of RGB on individual areas of the screen.

New and innovative features are designed to offer the best possible presenting tools. The projector can be rotated vertically by 360 degrees so the projection image can be easily moved around the room.

The Epson EB-G6250W is easy to set up and use, thanks to a variety of user-friendly installation features. Pixel alignment, for example, enables the user to align pictures easily and effectively during set up for clear, correct images. With edge blending, a large, widescreen image can be projected from a number of projectors working together seamlessly. Its powerful zoom lens, as well as manual vertical keystone correction and centred lens, make it quick and easy to set up in a variety of positions without picture blurring or distortion.

With the HDMI input, a variety of high definition devices can be connected to deliver HD-Ready content effortlessly.

For simpler integration, this model is also compatible with the Epson EB-G5 series lenses<sup>1</sup>.

EXCEED YOUR VISION

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

Projection System	3LCD Technology, RGB liquid crystal shutter
LCD Panel	0,76 inch with C2 Fine

### IMAGE

Color Light Output	6.500 lumen - 4.550 lumen (economy)
White Light Output	6.500 lumen - 4.550 lumen (economy)
Resolution	WXGA, 1280 x 800, 16:10
Contrast Ratio	5.000 : 1
Lamp	380 W, 2.000 h durability, 4.000 h durability (economy mode)
Keystone Correction	Manual vertical: $\pm 30^\circ$ , Manual horizontal $\pm 30^\circ$

### OPTICAL

Projection Ratio	1,26 - 2,30:1
Zoom	Manual, Factor: 1 - 1,8
Projection Size	50 inches - 300 inches
Projection Distance Wide	1,4 m - 8,4 m
Projection Distance Tele	2,5 m - 15 m
Projection Lens F Number	1,65 - 2,55
Focal Distance	21,28 mm - 37,94 mm
Focus	Manual

### CONNECTIVITY

Interfaces	Ethernet interface (100 Base-TX / 10 Base-T), 10 Base-T, WLAN, Wireless LAN IEEE 802.11b/g/n (optional), VGA in, VGA out, HDMI in, Display Port, Composite in, BNC in, S-Video in, Stereo mini jack audio out, Stereo mini jack audio in (4x), RS-232C, Cinch audio in
------------	--

### ADVANCED FEATURES

Security	Kensington lock, Password lock
Features	Mute key, Network administration, Network image transmission, PC Free, Quick Corner, Six axis color control, Split-Screen-Function, Transport handle
Video Color Modes	Dynamic, Photo, Presentation, sRGB, Theatre, DICOM SIM

### GENERAL

Energy Use	542 W, 405 W (economy), 0,41 W (standby)
Product dimensions	406 x 505 x 171 (Width x Depth x Height)
Product weight	9,7 kg
Noise Level	Normal: 39 dB (A) - Economy: 31 dB (A)
Included Software	EasyMP Monitor, EasyMP Multi PC Projection
Loudspeaker	10 W

### OTHER

Warranty	36 months Carry in or 15.000 h, Lamp: 36 months or 3.000 h
----------	--

## LOGISTICS INFORMATION

SKU	V11H510040
Barcode	8715946513881
