

Colour LED Printer with Wireless Capability

The HL-3170CDW is a high speed, high quality colour printer offering wireless connectivity and 2-sided printing to suit your business needs.

- Fast Printing - Up to 22ppm colour and monochrome printing
- Save Money - Automatic 2-sided (duplex) Printing
- Convenience - Print without PC using mobile print
- Easy Sharing - Connect with multiple users via wired/wireless network
- Reduce Running Costs - Choice of high-yield colour toners for heavy print volume

HL-3170CDW

The HL-3170CDW offers amazingly fast and efficient colour and monochrome print speeds of up to 22 pages per minute. What's more, with the automatic 2-sided printing feature, you can print on both sides and save on costs.

Plus you can share your printer easily with other users by connecting it via the wireless network. With the mobile print capability, you can print your documents from your mobile without the use of a PC.

Brother's high-yield toner cartridges will enable you to enjoy a lower cost per page for large print volumes. For greater efficiency and more cost savings, Brother is your preferred choice.
