Businesses increasingly require high productivity and lower operating costs from their printers...

Fast, professional-quality printers with lower operating costs

Most businesses and small and home office (SOHO) companies increasingly require high productivity and lower operating costs from their printers. These businesses need printers that also are easy to use and versatile for printing a range of documents and presentations.

Samsung ProXpress M4070 | 3870 | 3370 series are ideal for every business environment with the following features, which further assist businesses' productivity and efficiency:

High-speed performance with professional results. ProXpress M4070 | 3870 | 3370 series have high print speeds of up to 40 ppm¹ (pages per minute) with 256 MB memory for A4-size documents. Samsung Rendering Engine for Clean Page (ReCP) technology produces sharp text and clear images on a range of media sizes and weights.

Cost efficiency. Eco Solution with One Touch Eco Button and Easy Eco Driver and job accounting features can help reduce paper, toner, and energy consumption. A wide range of toner cartridges supporting different printing volumes aids in lowering the total cost of ownership (TCO).

Versatility. 4-in-1 multifunctional features and built-in duplex (printing on both sides of the page), convenient mobile printing options are available. The printers feature enterprise-level security, which offers greater control of user, document, and network access.

Ease of use. Easy Printer Manager for smooth printer operation, Easy Document Creator to create, compile and share documents and easy secure printing with built-in numeric key pad are available.

High-performing printers with improved print quality and speed.

Print with exceptional speed and superior quality

High speed printing & image processing

Robust ProXpress M4070 | 3870 | 3370 series feature print speeds of up to 40 ppm¹, powered by a Cortex™-A5 core processor and up to 256 MB of memory. High speed and performance enable businesses to accelerate document and image processing for increased efficiency.

Samsung ProXpress M4070 | 3870 | 3370 series help businesses print complex documents and heavy media types without sacrificing processing and printing speed and professional-quality results.

Higher-quality print output

ReCP technology improves readability of printed documents by enhancing thin lines and sharpening the edges of negative text. Small text that typically may not scan completely is sharpened through edge resolution enhancement. The ProXpress M4070 | 3870 | 3370 series deliver sharp, solid prints and scans with effective output print resolutions of up to 1,200 x 1,200 dpi.

Additional printing choices for professional documents

The printers' multipurpose tray supports media of up to 220 gsm (grams per square meter) in weight, which offers more printing choices for professional documents. Numerous labels, cards and envelopes can be printed using the multi-purpose tray with ease. This ability virtually eliminates the time it takes to feed sheets one at a time.

Control costs and save toner and paper expenses.

Reduce operating expenses with economical features and solutions

Professional Eco Solution

One Touch Eco button
Businesses can lower toner and paper usage with the One Touch Eco Button. The One Touch Eco Button automatically activates 2-up printing (two pages on the same side) and duplex printing (printing on both sides). Users can also choose the option to skip blank pages in the Toner Saving Mode. These eco settings can be adjusted using Easy Printer Manager.

Easy Eco Driver
Easy Eco Driver software, granted the 2012 Outstanding Achievement in Innovation award from Buyers Laboratory (BLI), saves users up to 20 percent on toner. The software also reduces energy consumption. Users have the option of removing images, converting them from bitmap to sketch, and removing text to save toner using the Toner Saving Mode.

Samsung Eco-Driver earned the 2012 "Outstanding Achievement" Award from Buyers Lab, Inc.

Central print usage control to save more resources

Central print usage control, activated through the SyncThru™ Admin job accounting feature, enables managers to assign users to specific printers. Users can also be assigned quotas for the number of pages or copies they can make per printer.

More toner options, more choices for cost reduction

ProXpress M4070 | 3870 | 3370 series offers diverse laser toner cartridge options from standard-yield laser toner cartridges that typically yield 3,000 standard pages to ultra-high yield laser toner cartridges that can yield 15,000 standard pages, which meets every businesses' needs for reducing cost per page.²

An integrated toner system contains the imaging unit and toner cartridge in one convenient package. This integrated toner system is the preferred choice for businesses with heavier printing volumes.

Flexible printing options that help optimize output.

Improve productivity with versatile features from multifunction to security

4-in1 Multifunction & built-in duplex printing

4-in-1 multifunctional (print, copy, scan and fax) capabilities and built-in duplex printing provide the versatility and convenience that businesses need to stay competitive.

Convenient mobile printing optimized for various business environment

Samsung MobilePrint application helps employees wirelessly print from their mobile devices. Users do not need to install a new driver or configure network settings. Office workers can simply download the MobilePrint application from the Google® Play store for Android™ and the Apple Store® for iOS®.

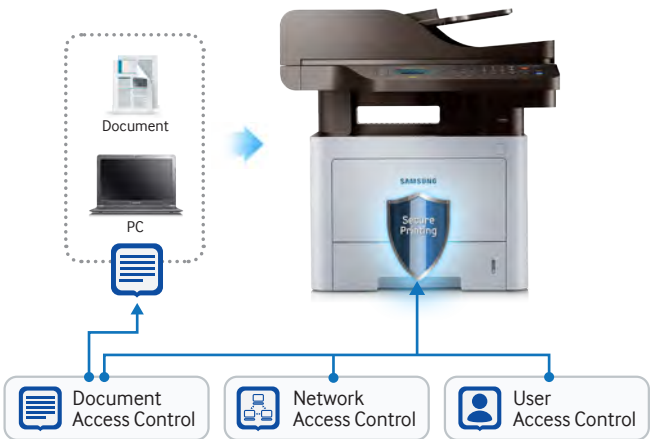

After downloading the application, the mobile device automatically detects nearby, compatible Samsung printers. The ProXpress M4070 | 3870 | 3370 series can handle almost any type of file, including text documents, images and web pages.

Users can also access printers from a Google account using the Google Cloud Print™. Emails, photos, PDF files and SNS messages, such as Facebook® and Twitter® posts, can be printed, faxed or shared. Google Cloud Print works on smartphones, tablets, notebooks, PCs and other web-connected devices.

Enterprise-level document security

Businesses produce and print numerous official documents including confidential information, which requires high security on the printing jobs. ProXpress M4070 | 3870 | 3370 series offer greater control of user, document and network access with Samsung SyncThru™ Admin at the enterprise security level.

Network Access Control	
- SSL	- IP/MAC Filtering
- 802.1x	- All Network Port Control , IPSEC
User Access Control	
- LDAP/Local Authentication	- Job and Access Log
- Authorization(Role) Manager	
Document Access Control	
- Data encryption, Function Lock	

With Samsung SyncThru™ Admin, businesses can administer, operate and manage print jobs securely.

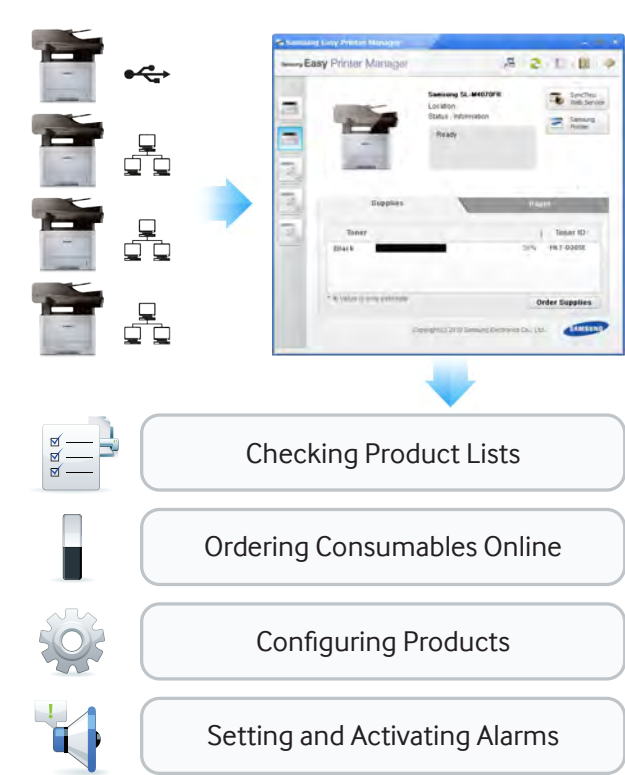

Simplify print jobs
with easy security management.

Streamline printing with
ease-of-use design

Easy Printer Manager

Easy Printer Manager helps companies remotely control settings, such as the One Touch Eco Button features, and copy, scan and fax settings. Multiple devices can be monitored and managed using Easy Printer Manager. Businesses can also monitor printer status, such as error messages, including paper empty, toner empty and paper jam alerts.

Easy Document Creator

With Easy Document Creator, employees can create digital documents in multiple formats and share them through email or social networks. A document converter for smartphones, e-book readers, and a Simple Notification Service (SNS) uploader for social media provide user convenience with less effort.

Easy secure printing

ProXpress M4070 | 3870 | 3370 series features easy secure printing with built-in numeric key pad, which allows users to protect personal or confidential documents. When the feature is on, users are required to enter password in order to proceed the print job.

Optimize the print environment
with high performance and efficiency.

Conclusion

Samsung ProXpress M4070 | 3870 | 3370 series provide high performance with print speeds of up to 40 ppm¹. The printers produce professional-quality printouts with more reliable paper handling, and support a range of media types, up to 220 gsm.

Along with the better print and copy management, companies can achieve greater cost efficiency through Eco Solution, lower toner and paper costs based on higher cartridge yields.
