Phaser 4622 Black and White Printer

Power workplace productivity with
one affordable workhorse device.

Xerox® Phaser® 4622 Printer

Print more in less time. The Phaser 4622 meets your productivity challenge at a value price, giving your work group heavy-duty reliable performance – page after page, year after year.

Keep your workplace fast and flexible.

In business, you can't miss a beat. The new Phaser 4622 gives you the speed and flexibility to keep you on task and in control – without sacrificing print quality.

- **Raise the bar on performance.** With print speeds of up to 62 ppm in A4, it's never been easier to keep a productive pace.
- **Lightning fast output.** As few as 7.8 seconds from the time you press start to your first page view.
- **Swift throughput.** The Phaser 4622's Dual core floating point processor makes it possible.
- **Exceptional sharpness and clarity.** With image quality of up to enhanced 1200 x 1200, you'll clearly see the difference with every document.
- **Meet heavy-duty office demands.** With a monthly duty cycle of up to 275,000 prints, the Phaser 4622 is built to take on whatever your office can dish out.
- **Keep the peace.** The Phaser 4622 is engineered for exceptionally quiet operation to minimise the impact on busy offices.

Print your way, every day.

You'll be pleasantly surprised by the wide variety of print options available with the Phaser 4622.

- **Print on the go.** With native support for Apple® Airprint™, the Phaser 4622 gives you access to the most widely used mobile print tool available for today's office.
- **Easy does it.** You'll be up and printing in minutes thanks to the simplified front console and automated setup feature.
- **Print out of the box.** The Phaser 4622 expands your creativity, allowing you to print on just about everything from transparencies, to cardstock, to envelopes and labels – and more.
- **Flexible paper options.** A 550-sheet capacity main paper tray can easily accommodate paper sizes from 76 x 127 mm to 216 x 356 mm.
- **Finish strong.** The optional 500-sheet finisher gives you added muscle to staple up to 50 sheets automatically. A great way to further extend your office productivity.¹
- **Handle complex documents with ease.** Get standard memory capacity of 256 MB or expand to an optional size of 768 MB to meet your growing needs.

Keep your office lean and green.

The Phaser 4622 truly delivers an affordable office device that works hard for your office while being just as mindful of the world outside of it.

- **Paper cuts.** Highly efficient, hassle-free two-sided printing can easily cut your paper consumption in half while saving you time and money.
- **Reduce paper costs.** Single sheet, N-up printing lets you group multiple pages on a single sheet, so you cut down on paper usage and cost.
- **Use consumables more efficiently.** Our split consumables mean you replace only what you use – so you get the most out of every user-replaceable component.
- **Drum out waste.** The Phaser 4622's long-life marking drum is engineered for longer life so you replace it far less – reducing toner waste and cost.

Focus on the work that needs to get done. With the efficiency, productivity and security of the Xerox Phaser 4622, even the fastest-paced offices can accomplish more tasks in less time with one affordable, secure device.

Achieve total print control across your entire network.

- **Connect with ease.** Enjoy built-in support for Ethernet 10/100/1000Base-T networks.
- **Flexible placement.** Put your Phaser 4622 exactly where you need it with an optional internal wireless support feature.
- **Desktop print management.** Xerox® CentreWare® Internet Services and Xerox® CentreWare® Web let you manage key printer features remotely – right from your desktop.
- **Proactively monitor and manage your device.** Xerox® Device Manager lets you keep track of individual and department-level print usage, allowing you to improve purchasing decisions and resolve printer issues before they become problems.

Keep business-critical data safe.

The Phaser 4622 offers industry-leading security features that can effectively reduce security risks related to your documents and other office information.

- **Iron-clad security.** With standard, built-in support for IPv6 and IPsec, the Phaser 4622 implements the most stringent security options available anywhere.
- **Your eyes only.** The Image Overwrite feature completely removes unneeded data from printer storage so unauthorised users are denied access to sensitive information.
- **Safeguard active documents.** The Phaser 4622's hard disk encryption protocol is truly state-of-the art, allowing you to protect active documents you save in the printer's memory.
- **Release documents only when you're ready.** With the device's Secure Print feature, private jobs are held in the print queue until they're released at the device by the job originator.

Exceptional value with room to grow.
