Tecra A50-C PS57HA-00L00G

Overview

The highly portable Tecra A50 is the perfect no-compromise, value-packed notebook for mobile professionals who demand an impressive business class performance.

With its stunning 15.6" Full High Definition widescreen backlit display (selected models), presentations and multimedia are brought to life with exceptional colour and clarity. The A50 also features full on-desk docking capabilities, making it a large enough desktop replacement to work on complex spreadsheets, yet supremely portable to stay productive on the go.

Powered by the 6th Gen Intel® Core™ i5 dual-core processor, the Tecra A50 revolutionises the mobile computing experience. Busy professionals will relish the blazingly fast start up, performance and connectivity, plus greater inbuilt security and amazing all-day battery life of up to 9 hours with the removable 4-cell Li-ion battery.

Toshiba recommends Windows 10.
