20 +	A$765.00

Overview

High speed, unattended document scanning with duplex automatic document feeder (ADF). Get the job done quickly with scan-to-PDF simplicity and bundled NewSoft Presto! PageManager document management software. ISIS compliance included.

The HP Scanjet 5590 scanner is designed for home office/small office users who want to digitise multi-page paper documents. Key requirements are fast, automatic processing of two-sided documents and the versatility to scan transparent materials.

Features

Get more done with automatic two-sided, multi-page scanning.

Load up to 50 pages in automatic document feeder (ADF) and set them scanning. Automatic processing of double-sided documents for streamlined workflow. High unattendedness – digitise multi-page documents while you get on with business.

Do the job faster and return to work sooner with high speed document processing.

Scan up to 8 pages per minute (or 4 images per minute) using the duplex ADF. No waiting around – view preview scans in about seven seconds. Store, organise and access digitised documents using bundled NewSoft Presto! PageManager software.

Digitise images from slides and negatives with included transparent materials adapter (TMA).
Complete out-of-the-box scanning solution – capture high quality scans from 35 mm slides and negatives. Easy plug-in connection – no need to remove the standard scanner lid. TMA can also be used as a light box for viewing/selecting slides.

Technical Specifications

Specifications	
Bit Depth	48-bit
Dimensions (WxHxD)	488mm x 162mm x 340mm
Imaging Technology	
Interface	Hi-Speed USB 2.0
Model	L1910A
