

Expression Premium XP-720

DATASHEET

The Expression Premium XP-720 is the perfect all-in-one for people who need to print outstanding photos without compromising on text quality. With two front-loading paper trays, a rear speciality media feed, duplex and a 10.9cm touch-screen, this Wi-Fi printer ensures all your photo and document needs are met.

Great photos and text

Featuring a 5-colour individual ink system including a photo black, Epson's Claria Premium Ink produces outstanding, glossy photos and crisp, clear text documents. A no-compromise solution for the modern home.

Mobile printing

Epson Connect consists of Epson iPrint¹ – for easy wireless printing from smartphones and tablets; Epson Creative Print¹ – print photos directly from Facebook, and Epson Email print¹ – print from anywhere in the world by emailing photos and documents directly to the printer. AirPrint² and Google Cloud Print are also supported.

Versatile

With two front-loading paper trays, you can switch between photo and A4-sized prints without having to reload the paper, while the rear speciality media feed means you can print onto thicker media. In addition, you can print directly onto suitable CDs/DVDs.

Flexible connectivity

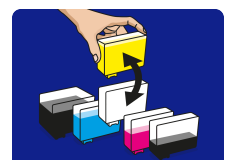

Automatic Wi-Fi set-up³ makes it quick and simple to connect to a Wi-Fi network or, alternatively, compatible devices can be connected via Wi-Fi Direct[®] without having to connect to a wireless router. You can also print from Wireless PictBridge-compatible cameras.

Easy operation

As well as a motorised control panel and output tray and a 10.9cm interactive LCD touch-screen, the XP-720 includes a memory card slot for PC-free operation. A motorised control panel and automatic-opening output tray mean hassle-free printing.
