Expression Photo XP-860

This top-of-the range 4-in-1 photo printer with Wi-Fi is ideal for photo enthusiasts looking for a great all-rounder. The XP-860 uses high-quality Claria Photo HD inks to ensure your treasured memories will last for 300 years in a photo album[1]. Epson Connect[2] helps make mobile printing a breeze and a large LCD touchscreen and duplex Automatic Document Feeder (ADF) make it incredibly easy-to-use.

Superior results
The XP-860 uses Epson's Claria Photo HD ink, a six-colour inkset that is ideal for producing superior-quality, long-lasting photographs. It delivers smooth tonal gradations, natural blacks and rich, vibrant colours for high-quality photos.

Mobile printing
Epson Connect consists of Epson iPrint[2]– for easy wireless printing from smartphones and tablets; Epson Creative Print[2] – print photos directly from Facebook, and Epson Email print[2] – print from anywhere in the world by emailing photos and documents directly to the printer. AirPrint[3] and Google Cloud Print are also supported.

Wireless connectivity
Automatic Wi-Fi set-up[4] makes it quick and simple to connect to a Wi-Fi network, or alternatively compatible devices can be connected via Wi-Fi Direct® without having to connect to a wireless router. Printing is also possible from Wireless PictBridge-compatible cameras.

Versatile printing
In addition to dual paper trays, the rear speciality media feed enables printing onto thick card and photo paper for extra creativity. Printing onto suitable CDs and DVDs is also possible. Fast print speeds mean you can print photos in just 10 seconds[5].
